## SNM SOCIAL WELFARE: BEING BOUNDLESS THROUGH SELFLESS SEWA

---

Elizabeth, NJ — October 5th, 2025

The **Sant Nirankari Mission NJ-PA Branch** came together under the divine guidance of **Her Holiness Satguru Mata Sudiksha Ji Maharaj** for a noble cause — a **Blood Donation Drive** organized in collaboration with the **New York Blood Center**. The initiative echoed the Mission's message of "*Vistaar – Being Boundless*," inspiring devotees to expand beyond self and serve humanity with compassion and humility.

*“When we serve selflessly, our hearts expand beyond all boundaries — this is where true spirituality begins.”*

— **Satguru Mata Sudiksha Ji Maharaj**

This act of service carried forward the sacred legacy of **Baba Hardev Singh Ji Maharaj**, whose timeless message continues to inspire countless lives:

*“The blood should flow in veins, not in drains.”*

The event became more than just a community effort — it was a living expression of *manavta* (humanity) in action. Devotees and volunteers united to spread awareness across the Elizabeth community through banners, flyers, and personal outreach, encouraging everyone to take part in this life-saving initiative.

**“We really appreciate Sant Nirankari Mission - you are all lifesavers!”**

- NEW YORK BLOOD CENTER

The response was deeply heartening. **Thirty-one donors registered, and twenty-seven units of blood** were collected — each one representing a drop of love, a gesture of hope, and a promise of life for those in need.

The **New York Blood Center** extended its gratitude to the Sant Nirankari Mission for its consistent partnership and unwavering dedication to community welfare. Donors were welcomed with refreshments and heartfelt appreciation, creating an atmosphere filled with warmth, unity, and gratitude.

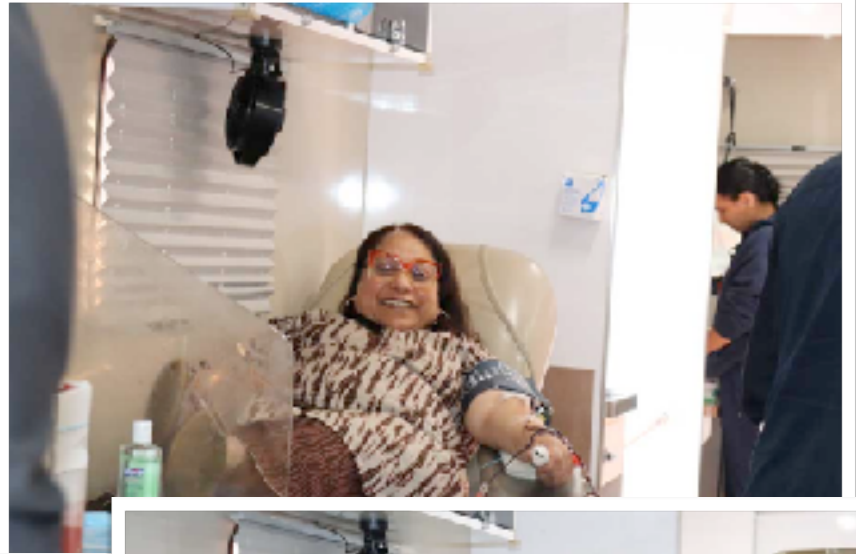

In the spirit of *Vistaar*, this event reminded everyone that spirituality knows no limits. True growth, as taught in the Nirankari Mission, comes when hearts open boundlessly in service to others. *“To serve humanity is to serve God”* — this simple yet profound belief continues to guide every act of the Mission’s *sewa*.

As the Sant Nirankari Mission continues to illuminate the world with the light of Truth and Oneness, this humble act of giving stands as a shining example that **when love flows freely, humanity thrives boundlessly.**
